I am pleased to announce the addition of Sonja Kinley to our TRS team. Beginning July 6, 2017, Ms. Kinley will take on the role of Human Resources Director. She brings with her 16 years of experience in the human resources field, where she most recently served as the Human Resources Business Partner for the American Cancer Society global headquarters.

Ms. Kinley earned her Bachelor of Science in Business Management from Morgan State University and her Master's Degree in Human Relations from the University of Oklahoma. Her experience includes, but is not limited to, performance management, talent development, recruitment and staffing, team development and employee policies, procedures and compliance. In addition to Sonya's extensive background in human resources, she is just one of those infectiously positive professionals. We look forward to her being a part of the TRS team.
